**3** Legal Address: Print your name, address, telephone number and email address in the space provided. Information must match exactly how it is listed on your passport. Please be sure this information is legible.

a. Modern (1949 to Date, maximum value 1,000€ per coin) - 22€ per coin.

**b. General Submissions** – 2% of the value of each coin in its final grade (minimum of 30€). 2% fee include Restoration and Grading.

**Genuine Service:** All coins submitted are subject to being deemed as Genuine (not gradable). PCGS may determine the coin's condition has been permanently altered either by manmade actions or through environmental causes. Select one of the three options for Genuine Service. You acknowledge coins removed from other third-party holders do not qualify for a grade guarantee. You indemnify PCGS from any damage that may be done to the coin(s) during this process. ### **Restoration Submission Form Instructions** (continued)

**12** Method of Payment: PCGS Restoration charges can be paid by credit card, an established line of credit, wire transfer or check. Total charges cannot be determined until coin(s) have gone through the initial evaluation, restoration, and grading process. We recommend PCGS Restoration Service fees be paid via credit card or line of credit. Fees will be determined solely by PCGS. By signing here, you authorize PCGS to charge your credit card or line of credit for the total charges. Failure to sign will delay the processing of your order.

**13** Authorized Signature: Please read the PCGS Grading Terms & Conditions on the back of the submission form and sign in this area. Failure to sign submission form will prevent your order from being processed.

The 2% fee is based upon the value of the coin in its final grade. The minimum amount for the 2% fee is  $30 \in$ . PCGS reserves the sole right to make the final determination of the coin's value.

#### SUBMISSION REMINDERS...

Place your raw coins individually into mylar flips (6.35 cm x 6.35 cm) and wrap securely. Place the coin in the inside front pouch of the flip so the openings of the flip are not exposed. Only one coin per mylar flip is allowed.

Note: PCGS highly recommends you use mylar flips when submitting any of your coins for grading. The inert mylar flips will be a better storage unit for your coins while they are in the grading process here at PCGS. Submit current PCGS-graded coins in their existing holders (covered by the PCGS Guarantee). Non-PCGS graded coins can be submitted in their existing holders, but you must authorize PCGS to remove the coins from their holder (no grade guarantee). All coins can be submitted on the same Restoration submission form.

We do not accept shipments via Post Office (either Registered or Secured mail). Submissions can be sent via courier of your choice, or delivered in person to the PCGS Paris Submission Center.
